

# ABOUT US

Learn About our  
Organization and How to  
Work with us in 2025

## WHO WE ARE

**Truss Ugavi is a Supply Chains Solutions and Advisory firm. We empower organizations with end-to-end expertise driving business optimization across every area of the Supply Chain to ensure cost accountability, growth and profitability.**

**Employing technology and analytical tools, we focus on business process improvement, strategy development and iteration, operational efficiency, idea to market, go-to market strategy, people development and capacity building.**

# WHAT WE DO

1.)

## SUPPLY CHAIN CONSULTING

Optimizing Your Supply Chain: We transform your supply chain into a strategic asset, enhancing efficiency and driving growth.

2.)

## BUSINESS PROCESS IMPROVEMENT

Streamlining Operations, Maximizing Results: Our tailored solutions enhance processes for peak performance and profitability.

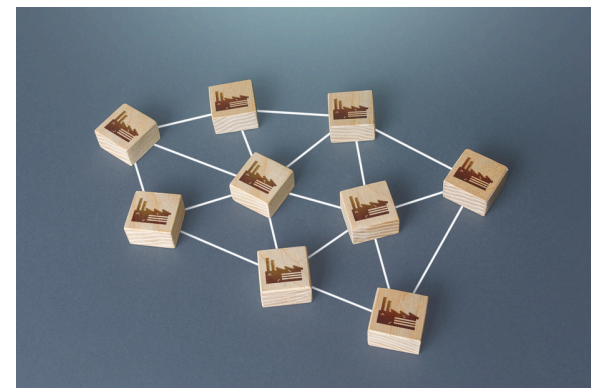

3.)

## STRATEGIC CUSTOMER ACQUISITION AND DEMAND PLANNING

Anticipate Demand, Stay Ahead: We help you predict market trends and customer needs, ensuring products are where they're needed, when they're needed.

4.)

## SUPPLY CHAIN STRATEGY DEVELOPMENT

Crafting a resilient and forward-looking supply chain strategy is our forte. We partner with you to develop strategies that are adaptable, responsive, and aligned with your business goals.
